

# Jeroen Moes

## *Curriculum Vitae*

**Full name:** Jeroen Gerardus Theresia Maria Moes  
**Birth:** 27 February 1983, Maastricht, Netherlands  
**Addresses:** Via dei Roccettini 9 | Saturnushof 11  
50014, San Domenico di Fiesole, Florence | 6215 XB, Maastricht  
Italy | Netherlands  
**E-mail:** Jeroen.Moes@eui.eu  
**Internet:** Personal: [www.JeroenMoes.eu/](http://www.JeroenMoes.eu/) | Current project: [www.Imagining.eu](http://www.Imagining.eu)

### ► Competences

- **Quantitative** research skills:
  - Cross-national research design, interview design, scale construction, modelling
  - Multilevel and multivariate regression analysis (linear, logistic, categorical, etc.)
  - Structural Equation Modelling and path models analysis
  - Longitudinal, panel research, and event-history analysis
  - Currently studying social network analysis
- **Qualitative** research skills and experience:
  - In-depth interviewing, focus groups, discourse analysis
  - Ethnographic fieldwork using participant and non-participant observation
  - Framing-analysis (media sciences) and archive research
  - Currently looking into interaction analysis and virtual/connective ethnography
- **Academic** skills:
  - Mixed methods research (quantitative and qualitative)
  - Bridging disciplinary boundaries (methodological, theoretical, epistemological)
- Analytic **computer** skills, among which:
  - SPSS (advanced quantitative analysis), MLWin (multilevel analysis), LISREL (structural equation modelling), Kwalitan (qualitative analysis)
  - Currently looking into SIENA, ORA, Pajek (network analysis), MAXQDA, Atlas.ti (qualitative analysis), R, STATA (quantitative analysis)

### ► Education

#### **European University Institute – Political and Social Sciences (PhD.)** – 2009 – present

Comparative mixed methods research into collective identities, social cleavages and transnational social networks in European societies based on class, Europeanization, transnationalization and cosmopolitanism. Additional in-depth case studies of Estonia, Italy, and the Netherlands.

*More information:* <http://www.Imagining.eu/>

#### **European University Institute – Political and Social Sciences (MSc.Research)** – 2009 – 2010

Successful research design and methodological plan for a follow-up PhD. project.

#### **Radboud University Nijmegen / ICS graduate school – Social Cultural Sciences: Comparative Research on Societies (MSc.Research)** – 2006–2008 – *Cum laude*

- Research Master (two year programme), English language curriculum. Interdisciplinary approach: Sociology, Cultural Anthropology, Communication Sciences, Development Studies
- Graduated cum laude

- Thesis title: *CosmoPoles: Shifting boundaries in the identification with Europe*. Research based on fieldwork conducted between 10-2007 and 02-2008 in Kraków, Poland. Mixed methods (qualitative and quantitative) approach, cross-national comparison. Available at <http://www.masterthesis.eu/>

**Jagiellonian University, Kraków, Poland** – October 2007 – February 2008

Institute for European Studies – *Erasmus Mundus: 'Euroculture'*, one semester, various courses on European integration and social identities in a changing Europe.

**Radboud University Nijmegen – Sociology (BSc.)** – 2004–2007

Specialization in cohesion, inequality, identity, methodology, statistics, techniques for quantitative data analysis. Projects on attitudes and fears concerning terrorism, Islam, religion, and research methodology.

**Radboud University Nijmegen – Cultural Anthropology and Development studies** – 2003–2006

BSc. – Specialization in social cohesion, nationalism, collective identity, migration, European integration, epistemology, research methodology. Bachelor thesis on epistemology and the ethnographic method.

**Several optional academic courses**, among which 'Boundaries and Identities in Europe' (6 ECTS, Human Geography Department), 'Introduction to Political Sciences' (6 ECTS, Political Science Department), and 'Mediated Memories' (5 ECTS, Cultural Sciences and Media).

► **Relevant work experience**

**Elected Researcher Representative for the Political and Social Sciences department, European University Institute, Florence** – 2009-2010

Elected to represent the body of researchers within the EUI administration.

**Researcher for 'Wired Up: Digital media as innovative socialization practises for migrant youth', Utrecht University 'High Potential Programme'** – 2009

Research into identity and learning practices of Dutch and Dutch-Moroccan youth online.

**Member of commission responsible for compiling a self-evaluation report for the MSc(research) programme 'Social Cultural Sciences'** – 2008 – present

Goal of report was accreditation of the programme. My responsibilities were participating in meetings, discussing educational goals and attainments.
